

Elite Sponsorships are an opportunity for non-members to support the USTiA 20th Anniversary Conference.

USTiA is a nonprofit association of over 100 insurance carriers and allied businesses involved in the development, administration, and marketing of travel insurance and assistance services. USTiA strives to provide a unified national association to advance the interests of the travel insurance industry that markets and promotes travel protection programs and related travel services to travelers.

The USTiA Annual Meeting is where 300+ travel insurance professionals and industry partners connect and exchange resources, innovation ideas, solutions, and much more. USTiA is celebrating its 20th Anniversary, April 14–16, 2024, at the Ritz Carlton in Pentagon City, honoring the past and plotting a course into the next 20 years!

We invite you to be a part of this momentous occasion as an Elite (Executive) Sponsor.
